# What is the Minnesota GLBTA Campus Alliance?

---

## Our Mission

The Minnesota Gay, Lesbian, Bisexual, Transgender, Ally Campus Alliance (MN Campus Alliance) strives to build a statewide network of individuals and organizations working for equality and justice on issues of gender and sexual diversity; to empower the voices of groups that are underserved and underrepresented in our campus communities; and to create welcoming, affirming, and safe environments on college and university campuses throughout the state of Minnesota.

## Our History

In 2004, under the coordination of individuals from Metropolitan State University and OutFront Minnesota, students and staff from private colleges, the Minnesota State Colleges & Universities System, and the University of Minnesota System met to discuss creating a statewide network to support students, staff, faculty, alumni, and community members working for change on Minnesota campuses. In March 2006, an interim leadership team was created at the first annual Minnesota OUT! Campus Conference (MOCC). At MOCC 2006, the first MN Campus Alliance Executive Board was elected, comprised of students, staff, faculty, alumni, and community members from colleges and universities around Minnesota.
